VOLUNTEER with BiblioWorks!

BiblioWorks is a 501(c)3 non-profit organization that works in Sucre, Bolivia, South America. We set up rural libraries and carry out training sessions with librarians, children and teachers. We believe that through education and literacy we can give rural communities around Sucre the tools they need to pull themselves out of poverty.

WHY VOLUNTEER?

Our volunteers get the chance to truly experience Bolivian culture, bringing their passion for literacy to the children, teenagers, and adults we work with in our libraries. We're sure that you'll learn just as much from them as they do from you. As a volunteer your most important goal is to put smiles on children's faces... If you're up to the challenge we can't wait for you to join our dedicated and professional team!
